Furthermore, as part of our preparations for the transition to e-Examinations and Computer-Based Testing (CBT) for WAEC and NECO, all SS-3 students are required to attend mandatory extension classes scheduled from Monday 8th to Friday 19th December, 2025.

The School Management also reminds parents of the need to procure a personal computer (laptop) for their children to enable them access the digital education system as the school transitions to digitized education.

3. As the harmattan season sets in, we urge parents to provide pupils with cardigans/sweatshirts to protect them from the cold. Parents should also provide their children/wards with their phone numbers so that the school can contact them in emergency situations.
